FOREWORD

We of the Yearbook staff hope in this publication to review for you the athletic, social, and club activities of this year at Armijo.

The theme for the 1956 La Mezcla is that gay and carefree era the "Twenties." As you try to recapture all of the excitement of this past year, we hope the theme will add a slight touch of humor and aid us in depicting the athletic teams, club activities, and dances of this year.

Dearie, Do You Remember.....

DEDICATION

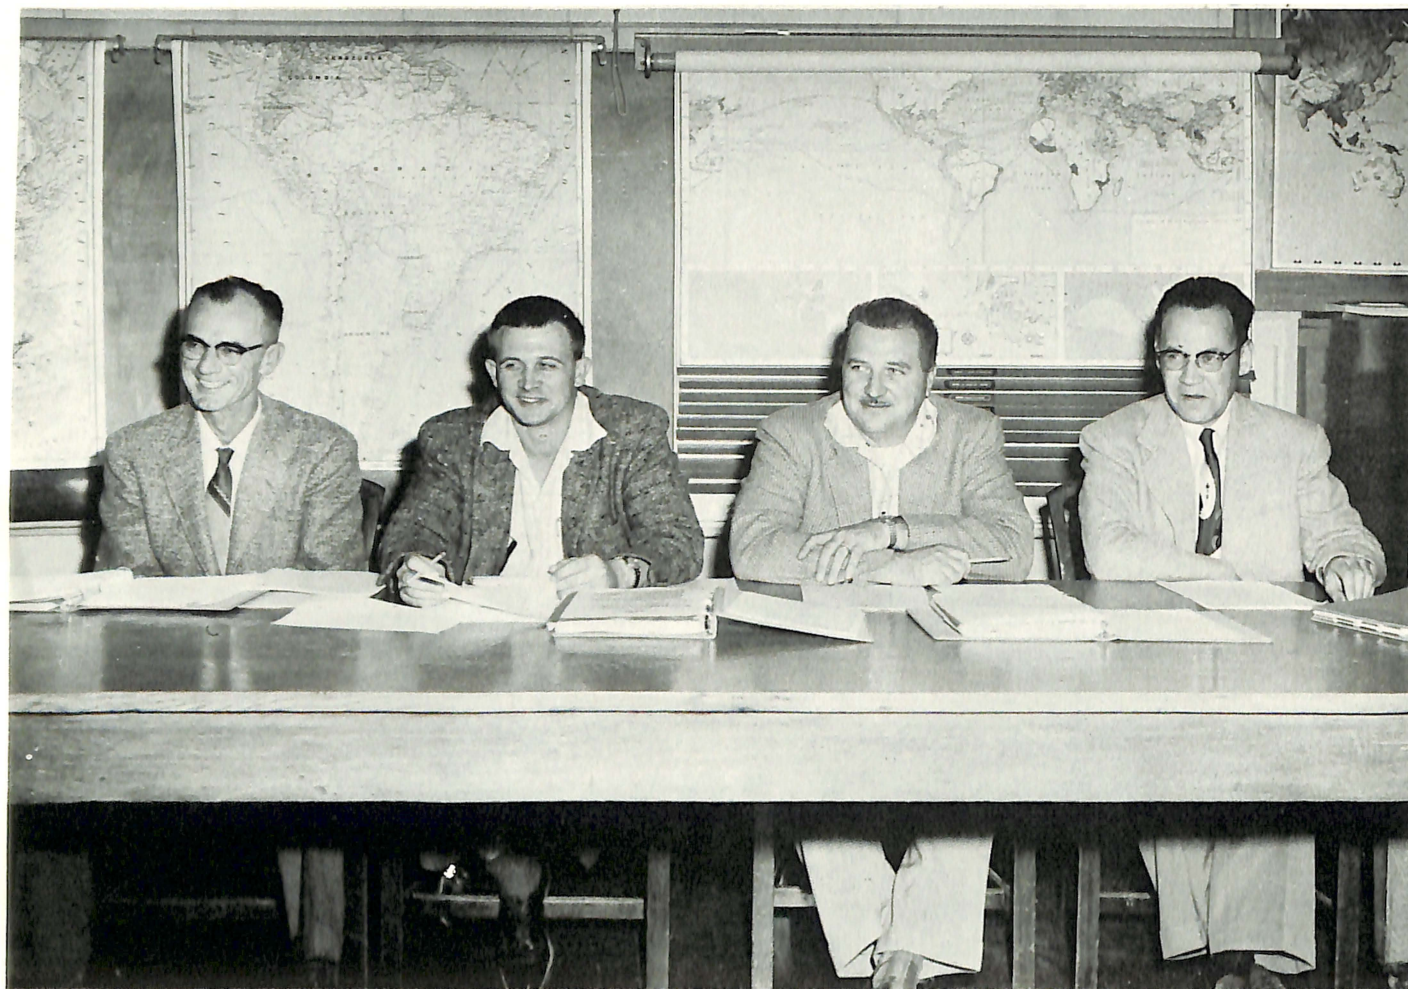

To Miss Genevieve Carlson, in deep appreciation of her many years of unselfish service to Armijo Union High School and the students, we dedicate the 1956 La Mezcla.

Some of the various activities that Miss Carlson may be associated with are the Language Club, the California Scholarship Federation, and the Audio-Visual Aids Program.

We hope that Miss Carlson will have many more enjoyable and successful years of teaching at Armijo High.

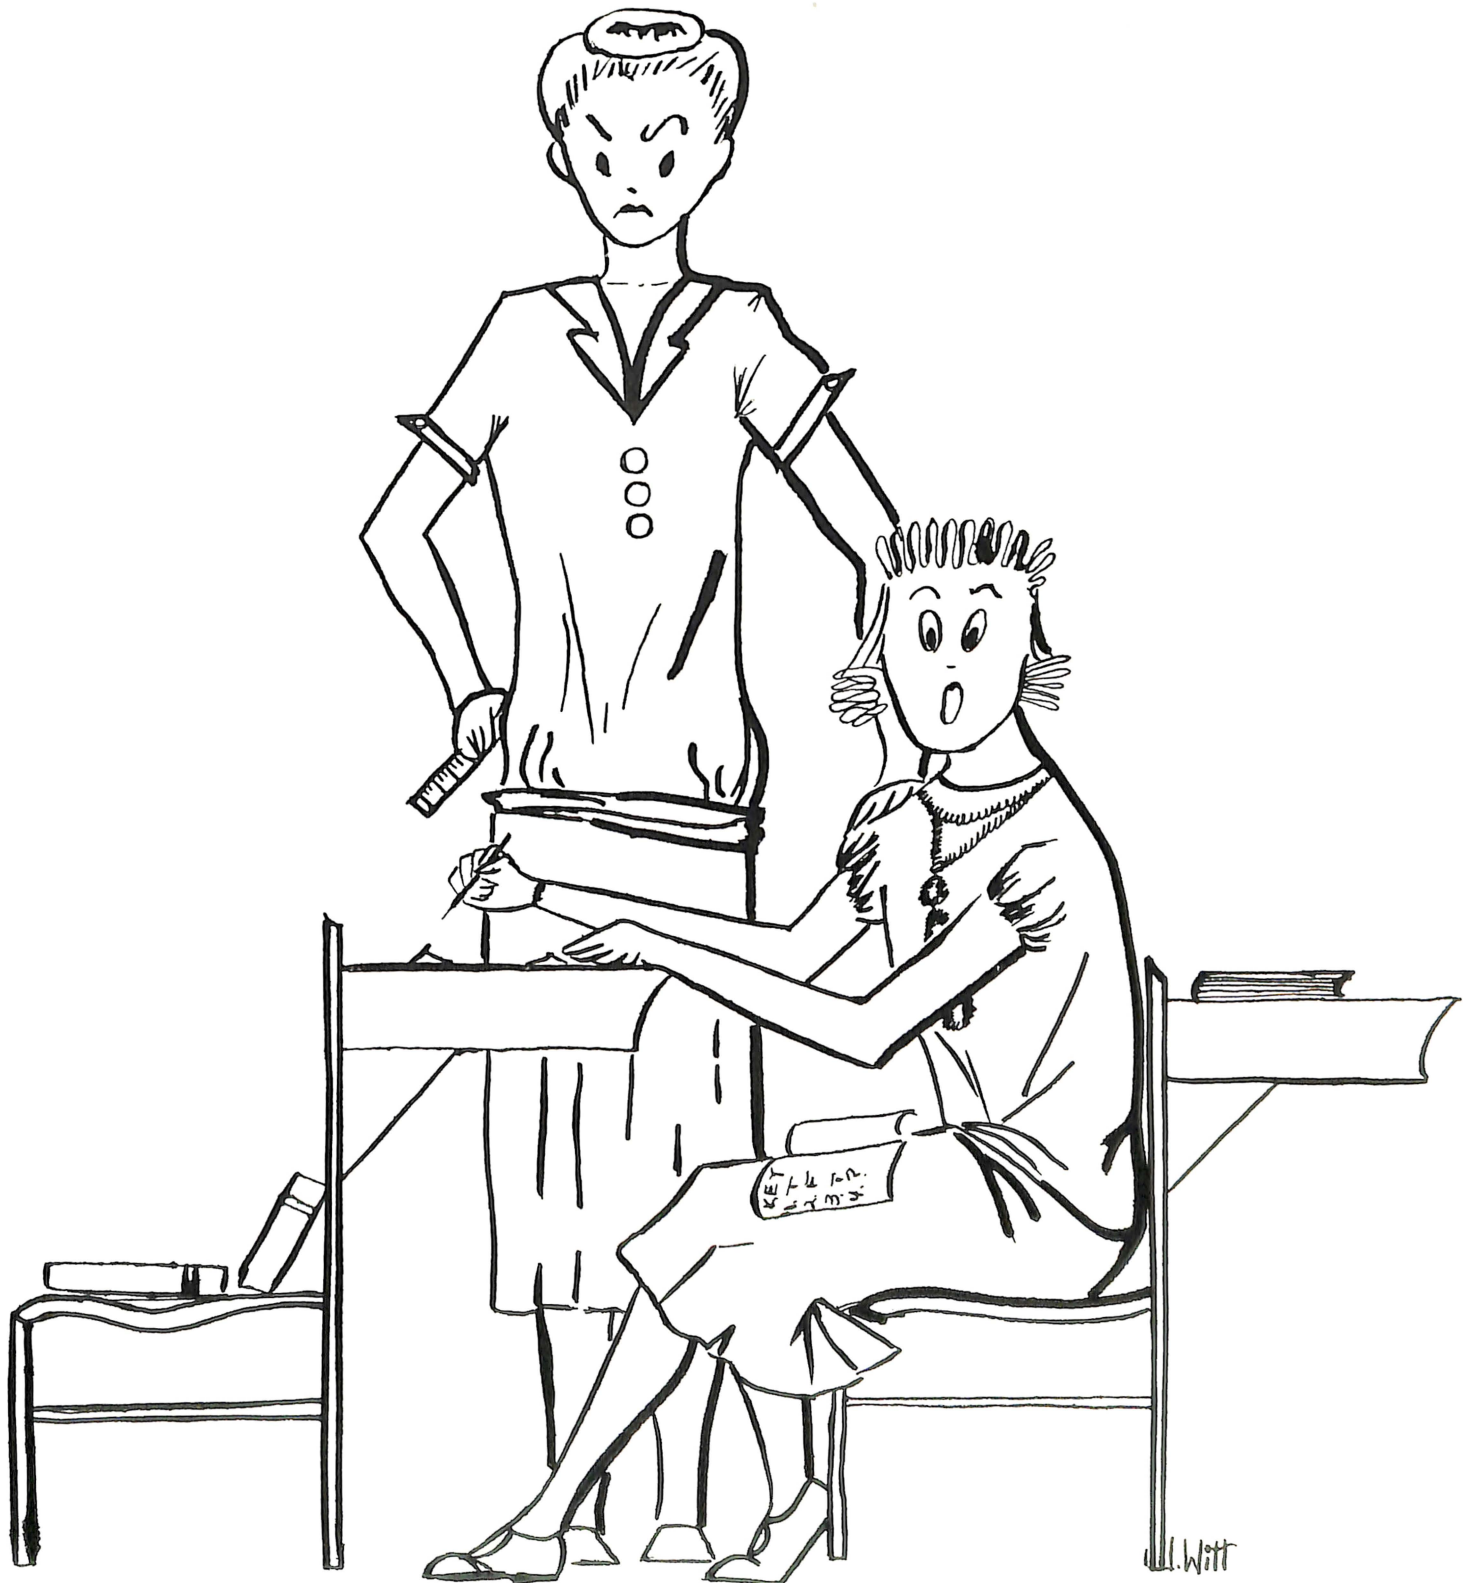

Board of Trustees

These energetic citizens give unselfishly of their time to direct our school affairs, and we sincerely appreciate the interest they have shown in our welfare.

Mr. Ward C. Sheldon, President
Mrs. Reed Harris, Clerk (Absent)
Dr. William J. Olson
Mr. Kenneth B. Grimm, Jr.
Mr. David Hale

ADMINISTRATION

PRINCIPAL'S MESSAGE

Often we as individuals are discouraged when we look at the tremendous problems facing us today. After all, we are only one person and the task is so great, the solution uncertain, and even the method of attack is not clear. "But I can't do anything about it," is too often heard.

I'd like for you to recall an analogy suggested by the recent developments in science. The atomic bomb is the greatest explosive force that we know in the physical world today. Yet, what starts this tremendous explosion is one single neutron--an infinitesimal, invisible particle. This acts as a kind of gun which first sets off two other guns. Each of these two then sets off two others and so on, until there is a terrific force of almost earth-shaking dimensions.

What is true of the physical world is also true of our social and moral culture; there also we may have vast chain-reactions radiating from a single individual. Each one of us has tremendous potential worth and power. A single country, organization, or individual can set in motion the right kind of idea which may ultimately move the whole world.

Be that kind of an individual.

CLASSES

SENIORS

DEARIE, DO YOU REMEMBER-

our Freshman year, filled with all the excitement, fun and adventure of being newcomers to this crazy-mixed-up place called Armijo? We chose Mike Hancock, Ronnie Burks, and Patti Brandon to direct our affairs that first year. They helped us to weather the storms of our first swimming party in the rain at Vacaville, at which we delighted in dunking our class adviser, Mr. Schwartz; and those never-to-be-forgotten dancing lessons in Social Science 1 that gave everyone bunions and blisters.

Before we knew it, our Sophomore year had arrived, and we elected Richard DeTar, Bobbie Burks, and Doris Walker to plan our activities, which included our Sophomore Hop, "A Sidewalk In Paris." We danced to the music of Nick Bidove amid a Parisian setting including the Eiffel Tower, and two elaborate thrones for Bobbie Burks and Buddy Tonnesen, our Queen and King, to survey their realm.

At the close of the year we held the traditional swimming party, this time at the Green Valley Country Club. We emerged from the delightful pool, starved and water-logged, and retired to the spacious dining room for a feast of spaghetti and meat balls with all the trimmings.

At last the wonderful day had arrived: we were upper-classmen, and as such we chose Ronnie Burks, Bob Crist, and Janet Gomez for our officers. The Highlight of this year was our Junior Prom which was "An Oriental Garden." The music of Everett Nourse, surrounded by a pagoda, provided a perfect atmosphere along with the Japanese lanterns and fans, the kimono-clad girl with a parasol standing in the garden setting, and the bamboo fence- all this so faithfully supervised by our adviser, Mr. Porter.

We chose the most beautiful class rings any class had ever had and spent most of our time gazing at them and day-dreaming, and finding it hard to believe that we were finally Juniors. Our swimming party this year was held at Oak Park Lake, and everyone had a gay time in the pool and a wiener roast completed the gala occasion.

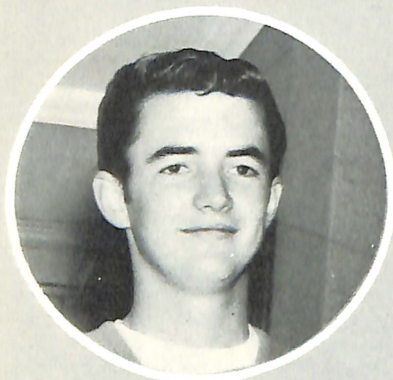

At last September came around again and here we are Seniors, which is still harder to believe. For our officers this year we have elected Mike Hancock, Paul Silveira, and Doris Walker. These capable fellow-classmates will lead us through the Senior Ball, the Banquet, and at last the climax- Graduation.

To many of us, the years will hold promising professional careers, marriage, further education, heartbreak, happiness, success and, to some, failure, but regardless of what the future holds, we will always have the fondest memories of the four years spent at Armijo Union High School.

Annual Christmas Program to be Held In Auditorium at 2:45 This Afternoon

The Christmas program will be given in the auditorium at 2:45 this afternoon. The program will be presented under the auspices of the band, the chorus and drama department.

The dramatic group, under the direction of Mr. Ordean Hagen, will present a Christmas play called "The Desert Shall Rejoice," written by Robert Finch.

Bob Hollar and Carole Frantz have been crooning together lately. They sure do make a swell couple. Come on Bob, let's see that ring around her neck.

VARSITY

The Armijo High School Varsity started out the season by losing to a very powerful Crockett team, in the last thirty seconds of the game when they scored a touchdown, making the score twelve to seven. The next Friday Armijo played the first home game of the season, on Brownlee Field. Playing the highly touted Livermore Cowboys, they came out on top by a score of thirteen to seven. Playing the second home game of the season, Armijo took on the Healdsburg Greyhounds. Though the Greyhounds fought hard, Armijo made a decisive victory in scoring twenty-seven points, to shutout the Healdsburg team. Playing away from home the next Friday, Armijo took on the Benicia Panthers, in the first league tilt. In a game that proved to be the deciding factor in a hotly contested championship race. Armijo took a twelve to nothing lead early in the first half. At half time the score stood twelve to seven. In the third quarter Benicia scored two touchdowns, making the score nineteen to twelve. With less than three minutes to play, Armijo scored and with a dramatic effort, Buddy Tonnesen scored a point after touchdown to tie the game. Traveling to Rio Vista Armijo took on the defending league champions, the Rams. Playing with all of the fury possible, Armijo in the first half scored all twenty-seven of their points. Making a valiant effort to remain in the game, Rio Vista scored their only touchdown late in the fourth quarter. Playing its first home league game, Armijo took on an injury-ridden Vacaville team. Armijo showed great superiority with a thirty-six to seven decision. Playing the last home game of the season the Indians met the St. Vincent's Hilltoppers, in what proved to be the most decisive victory. Using everyone on the bench, Coach Hopkins showed that his Indians will be a league power for years to come, by soundly crushing St. Vincent's fifty-two to nothing. In a post-season game Armijo met Liberty High School, in a game between the champions of two leagues. Liberty Hi a team of great power and ability to hit anywhere, caught in an air of false confidence, and soundly defeated them by a score of fifty-four to nothing. Fielding one of the most powerful teams in the league, the Indians had the best season in three years with a record of five wins, two losses, and one tie. If this shows any precedence Armijo should be a power for a number of years to come.

Coaches Iversen, Newell, and Hopkins; Managers G. Burch, B. Frawley, K. Sheldon.

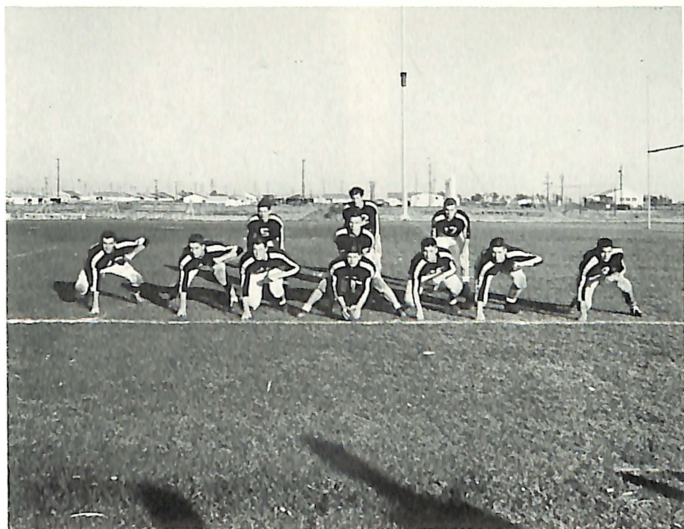

J. V.

Armijo can be very proud of its Junior Varsity teams, due to the fact that they won all of their games, but for the first game of the season which they tied. Coach "Corky" Iversen in his first year of coaching at Armijo displayed great coaching ability by maintaining the confidence and support of the team at all times. We shall be looking forward to many victories next season with the capable talents of these newcomers to the pigskin sport.

VARSITY BASKETBALL

The Indian Varsity had an on-again, off-again season. They met a very rugged, active schedule, playing such highly rated teams as Antioch, Liberty, Stockton, Sacramento, Napa, Petaluma, and Mt. Diablo.

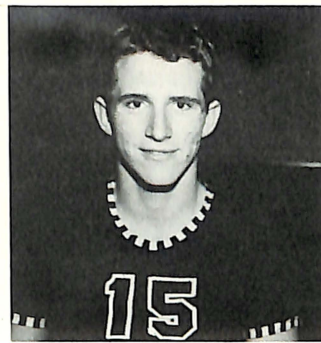

The Indians started league play with a bang-knocking over Benicia, Vacaville, and Saint Vincent's. They jumped into the first slot of league standings. The Indians went on to lose twice to Rio Vista and once to Saint Vincent's, to finish in a second-place tie with Rio Vista.

We initiated the first Armijo Invitational Tournament, inviting Galt, Willows, Davis, Rio Vista, Vacaville, Benicia, and Saint Vincent's.

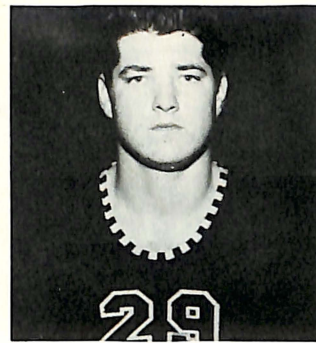

In the first night of tourney the Indians defeated the Galt Warriors. The second night found the Indians pitted against a very tall team, the Willow Honkers. The championship finals brought together the Davis Blue Devils and the Armijo Indians. In one of the most thrilling games of the tournament, the Blue Devils edged the Indians for the Championship.

The B Team, led by the spectacular playing of George Uchishiba, triumphed over Rio Vista, Vacaville, St. Vincent's, and split with Benicia.

The team, coached very ably by "Cork" Iverson, showed a great amount of depth in almost every position, and was able to maintain its outstanding playing throughout the league play.

The team jumped off to a very promising start by defeating the Benicia Panthers, 39-33. Then after the Indians romped over the Saints, 45-29, and finally defeated the Rio Rams 47-40, they looked as if they had the championship clinched.

Starting the second round, Armijo tasted defeat by being whipped by a sharp-looking Benicia Team, 59-35. Not being discouraged, the team fought hard defeating the Saints, 48-47, the Bulldogs 43-25, and the Rams 58-29 and ended up sharing a co-championship with Benicia.
